

In every plastic that flows,  
 Wondering & wondering then,  
 For a sign - Fatherwell, Adieu?  
 Sinking suffering heart  
 What knowst thou how weary thou art,  
 Soul so pale for a flight, -  
 Age, space, time wings to depart,  
 And soul and suffering heart, -  
 Adieu, Fatherwell, Godspeed.

Adieu  
 Whence whispering breeze,  
 What do you say to the breeze  
 And what says the breeze to you?  
 And passing shades all at once,  
 Short of momentary bliss,  
 Would we long have seen Adieu?  
 Sipping ~~beverages~~ down,  
 Would that we could with them,  
 Echo heard in the mist, -  
 And fleeting life yet at last
